A photograph of a green BT40M-V6 module, which is a Bluetooth module with two antennas. The module is placed on a white background with a black grid pattern. A diagonal line is drawn across the bottom right of the image. The module has a gold-colored SMA connector labeled 'ANT2' and a gold-colored SMA connector labeled 'ANT1'. The text 'BT40M-V6' is printed on the module.

A small green printed circuit board (PCB) is shown, oriented vertically. It features a central microcontroller chip with a red square logo, several smaller surface-mount components, and a row of pins along the bottom edge. The board is placed on a white background with a black grid pattern. A diagonal black line crosses the lower right portion of the image.
